## Monterey Media to release 'Harvest' in U.S.

### Family drama stars Robert Loggia

By DAVE MCNARY

Monterey Media has acquired North American rights to indie drama "Harvest," starring Robert Loggia, Jack Carpenter, Arye Gross, Victoria Clark and Barbara Barrie.

Monterey plans a limited theatrical release early next year, followed by a DVD release in February.

"Harvest" is written and directed by Marc Meyers and produced by Meyers and Jody Girgenti; pic is Meyers' second narrative feature.

The film centers on three generations of a family coming together one summer around the anticipated passing of its patriarch, played by Loggia, as years of resentment within the family surface. "Harvest" won best American indie film at the Cleveland Film Fest.
